Welcome to Unitarian Universalism, a religion that celebrates diversity of belief and is guided by seven principles. Our congregations are places where we gather to nurture our spirits and put our faith into action through social justice work in our communities and the wider world.

Newcomers are always welcome. There is no formal conversion process, so becoming a Unitarian Universalist is simply a matter of self-identification. Membership is voluntary and does not require renouncing other religious affiliations or practices.

We invite you to explore our website, [www.uucsjs.org](http://www.uucsjs.org), visit us on a Sunday for a 10:00 am service and discover Unitarian Universalism!

There are seven principles which Unitarian Universalist congregations affirm and promote:

- The inherent worth and dignity of every person;
- Justice, equity and compassion in human relations;
- Acceptance of one another and encouragement to spiritual growth in our congregations;
- A free and responsible search for truth and meaning;
- The right of conscience and the use of the democratic process within our congregations and in society at large;
- The goal of world community with peace, liberty, and justice for all;
- Respect for the interdependent web of all existence of which we are a part.

## ***Welcome!***

# Auction Guidelines

## Silent Auction

The Silent Auction opens at 6:30 for viewing / 7:00 for bidding. The minimum bid and minimum raise for each item is written on the bid sheet by the item. To be valid, bids must comply with these minimums and be legible.

To place a bid, sign your name and bid number with your bid amount on the bid sheet. Doing so constitutes a legal contract to purchase that silent auction item at the price you stated if your bid is the winning bid. The last (highest) valid bid entered prior to the section closing will be the winning bid.

A maximum guaranteed bid (*Win it Now!*) is stated on each bid sheet. By signing your name and bid number in this box, the bidding closes. The item is yours.

The Auction Committee reserves the right to withdraw any item at any time without notice before the actual sale. In the event of a dispute, the Auction Committee shall act as final authority in determining the winning bid.

## Live Auction

Live Auction bidding will begin at 8:00pm. The Live Auction will continue until all items are sold.

If a group is bidding on one item, please designate one person to place your combined bid. Auction items will be awarded to one purchaser only.

A bid acknowledged by the auctioneer is a legal contract to purchase the item.

## Payment

All items must be paid for by the end of the evening. For your convenience we gladly accept both checks & cash. A 50% payment will be accepted to hold your more expensive selections. The balance is due within 30 days. Please make arrangements for those with either Prim Reeves or Kathleen Hartnett during checkout.

## Pick-Up

Once the table closes, the bids will be recorded by the table monitors. If you are the winner, the table monitor will award you a sticker for your "Items Won" sheet. You may then pay for your items at the cashier and return to the table to retrieve your items.

It is the responsibility of the purchaser to locate and remove his/her winning item(s) by the end of the auction. Winners of services are responsible for contacting the donor in order to receive the services offered.

## **Auction Events Cancellation Guidelines**

Event hosts will personally contact participants prior to their event to confirm attendance.

If a guest, after signing up and paying, cannot make an event on the stated date, it is the guest's loss. The host is under no obligation to make up the event for that guest.

If the host needs to cancel, for any reason (i.e., illness, inclement weather, etc.), the host will reschedule the event. If this is not possible, or it is not possible to reschedule it for a time when all guests can attend, those who cannot attend may request a refund from the UUCSJS Treasurer.

If the event does not have a planned date at the time of the auction, and the host cannot find a date that is acceptable to everyone, the host should hold the event more than once, or in some way take responsibility to please all guests.

## **Terms of Sale**

Unless otherwise noted, all certificates for goods and services must be used within one year of the auction date. All items and services are subject to the terms and conditions specified by the donors.

All sales are final. There will be no exchanges or refunds. UUCSJS does not make any expressed or implied warranties or guarantees on auction items regarding quality or value of items or services. UUCSJS has attempted to describe and catalog all items correctly, but all items are offered and sold "AS IS" and "WITH ALL FAULTS."

UUCSJS neither warrants nor represents, and in no event shall be responsible for the correctness of descriptions, genuineness, authorship, provenance or condition of the items. No statement made in this catalog or made orally at the auction or elsewhere shall be deemed such a warranty for tax purposes or market value. Items have not been appraised unless otherwise noted.

Reservations for trips and vacation accommodations must be mutually arranged with the donor unless otherwise noted. No refunds will be allowed on travel packages for canceled tickets and/or accommodations.

By the buyer's purchase, the buyer waives any claim for liability against UUCSJS, its elected and appointed officials, members and employees, sponsors, volunteers connected with the auction, and/or the donor of the item. Neither the UUCSJS nor the donor is responsible for any personal injuries or damage that may result from the use of the property or services.

## **Tax Information**

This catalog lists the fair market value of each item. Any amount you pay in excess of the fair market value would normally be available to you as a charitable contribution for tax purposes. Please check with your tax advisor for specifics.

## **“I Can’t Afford Solar.” *YES YOU CAN!***

**Mister Energy can get you a solar system with  
No Upfront Cost!**

5 years ago, when the UU Center had solar panels installed, you had to BUY the solar panels, which meant paying for them upfront – and they were expensive.

Today, there are lease companies that want to rent your roof to get the tax credits and rebates, while you pay nothing for getting the system installed!

Since the number of panels is sized to satisfy your total electric needs, you will owe Atlantic Electric nothing and pay only on the lease. This will be up to 50% less than your current electric bill.

And, your solar lease covers EVERYTHING — maintenance, insurance, and monitoring.

Email your bill today to Mister Energy at [maenevic@yahoo.com](mailto:maenevic@yahoo.com) to find out how many solar panels will take care of your bill and how you can get them with only a signature.

Call me at 609-576-8748 and I will give a complete explanation of how it all works!

**SOLAR ELECTRICITY costs MUCH LESS than utility electricity**
