

SUSTAINABLE LANDSCAPING SERIES

AUGUST 31, 2012

TECHNIQUES FOR CREATING A BACKYARD WILDLIFE HABITAT

10 AM - 12:30 PM

UNITARIAN UNIVERSALIST CENTER

75 S. Pomona Road, Galloway, NJ 08205 Corner of Liebig Avenue and Pomona Road

This hands-on program features practical advice and proven strategies to guide participants to create or enhance their backyard habitats

- ♻️ Practical steps to help you reduce your lawn size
- ♻️ Up-close looks at the Best Native Shrubs & Trees
- ♻️ Recommendations about the Ten Worst Invasive plants
- ♻️ An opportunity to have your sustainable landscaping questions answered.

AGENDA:

- ♻️ An overview of sustainable Landscaping
- ♻️ A tour of the UUCSJS native plantings
- ♻️ A backyard habitat tour of Jesse Connor's yard & gardens in nearby Port Republic (We will be carpooling to the Connor residence which is 4 miles from UUCSJS)

Presenters

Jesse Connor: Jesse has worked as a naturalist, horticultural associate, and specialty garden designer. Her lifelong interest in birds, butterflies and botany inspires her passionate advocacy for sustainable landscaping

Barbara Fiedler: Barbara has been working in the environmental field for the past 21 years, creating many award-winning programs for Galloway Township. She is Co-Chair of Go Green Galloway, a group that has been very pro-active in the promotion of sustainable landscaping.

WORKSHOP FEE: \$15 IN ADVANCE* / \$20 AT THE DOOR

Registration is limited to 15 participants

TO REGISTER: Email Jesse at jesseconnor@gmail.com

Please put "Sustainable Workshop" in the subject line. Email confirmations will be sent.

***Payments in advance may be made by check payable to UUCSJS**

We will accept cash and checks at the door
